

15/16 JUNE 2026

World Trade Center
Rotterdam, The Netherlands

DUTCH ■ **HPB** | **2026**
ENDOSCOPY ■ **LIVE** | 2ND EDITION

CO-ORGANIZATION

Erasmus MC, Amsterdam AUMC,
Leiden LUMC

ORGANIZING COMMITTEE

Pieter Jan de Jonge, Rogier Voermans,
Roy van Wanrooij, Akin Inderson

INTERNATIONAL FACULTY

George Webster, Michiel Bronswijk,
Stefano Crino

15/16 JUN 2026

PROGRAM: MONDAY JUNE 15, DAY 1

08:00 - 08.30 uur Welcome and registration

08:30 - 08.35 uur Opening

08.35 - 09.30 uur Clinical Update 1: Endoscopy in pancreatitis, from prevention to therapy

08.35 - 08.50 uur How to prevent post ERCP pancreatitis in 2026 Thijs Wielinga AUMC

08.50 - 09.05 uur When to intervene in necrotizing pancreatitis Rogier Voermans AUMC

09.05 - 09.20 uur Endoscopic therapy in chronic pancreatitis:
 who, when, how Marco Bruno Erasmus MC

09.20 - 09.30 uur Panel Discussion

09.30 - 10.30 uur Live Endoscopy 1

10.30 - 11.00 uur Coffee break & Visit Exhibits

11.00 - 11.20 uur State of the Art Lecture 1

Managing Difficult Bile Duct Stones:
 From ERCP to Cholangioscopy George Webster UCLH London

11.20 - 12.20 uur Live Endoscopy 2

12.20 - 13.45 uur Lunch & Visit Exhibits

13.45 - 14.45 uur Clinical Update 2: New developments in EUS

13.45 - 14.00 uur Advanced imaging; elastography,
 contrast enhanced EUS and AI Kirill Basiliya LUMC

14.00 - 14.15 uur Optimizing EUS-guided tissue acquisition Jamie Chua LUMC

14.15 - 14.30 uur Endohepatology; targeted variceal therapy;
 rescue or routine? Ynte de Boer AUMC

14.30- 14.45 uur Panel Discussion

14.45 - 15.45 uur Live Endoscopy 3

15.45 - 16:15 uur Tea break & Visit Exhibits

16:15 - 16:35 uur State of the Art Lecture 2

Expanding the indications for
 EUS-guided anastomoses Michiel Bronswijk UZ Leuven

16.35 - 17.30 uur Break out sessions

Session 1 ERCP or EUS-BD: How should we drain the bile duct?

Session 2 Managing ERCP related complications in the endoscopy suite

Session 3 How do you stay a skilled endoscopy nurse in the rapidly evolving HPB field?

17.30 - 19.00 uur Drinks with the faculty

15/16 JUN 2026

PROGRAM: TUESDAY JUNE 16, DAY 2

08.30 - 09.30 uur Clinical Update 3: Management of biliary strictures

08.30 - 08.45 uur	Diagnostic work-up for biliary strictures	Kirsten Boonstra	Radboud UMC
08.45 - 09.00 uur	Indeterminate biliary strictures: cholangioscopy first?	Pieter Jan de Jonge	Erasmus MC
09.00 - 09.15 uur	Endoscopic treatment of benign biliary strictures	Cyriel Ponsioen	AUMC
09.15 - 09.30 uur	Panel Discussion		

09.30 - 10.30 uur Live Endoscopy 4

10.30 - 11.00 uur Coffee break & Visit Exhibits

11.00 - 11.20 uur State of the Art Lecture 3

Emerging EUS-guided therapies for pancreatic lesions	Stefano Crino	Verona
--	---------------	--------

11.20 - 12.20 uur Live Endoscopy 5

12.20 - 13.45 uur Lunch & Visit Exhibits

13.45 - 14.45 uur Clinical Update 4: EUS guided biliary drainage; from learning curve to mastery

13.45 - 14.00 uur	How to master therapeutic EUS; from training to practice	Jurrien Reijnders	Erasmus MC
14.00 - 14.15 uur	EUS-guided Galbladder Drainage: Indications and Pitfalls	Roy van Wanrooij	AUMC
14.15 - 14.30 uur	EUS-guided Hepatogastrostomy: When, why and how	Wim Lammers	Erasmus MC
14.30- 14.45 uur	Panel Discussion		

14.45 - 15.45 uur Live Endoscopy 6

15.45 - 16:15 uur Tea break & Visit Exhibits

16:15 - 16:30 uur State of the Art Lecture 4

Image-Guided ERCP: Integrating CT and MRI for Precision Biliary Intervention	Akin Inderson	LUMC
--	---------------	------

16:30 - 16:45 uur Follow up of the live cases on clinical outcome and pathology reports

16:45 uur Closure, Adjourn and Drinks with the faculty
